

NZRETAIL MAGAZINE MAY BE A GRAND OLD 60 (PLUS) YEARS OLD, BUT THAT DOESN'T MEAN WE LIKE THINGS TO STAY THE SAME.

That's why we're excited to introduce a brand new section called Shelf Space, dedicated specifically for advertisers. In response to feedback from our clients, Shelf Space provides a dedicated environment for advertising any service, product or event providing readers with a regular reference point to find your products. Priced to allow businesses to regularly advertise at a discounted rate, Shelf Space will allow you to consistently get your message in front of the people you want to target.
